

2019-20 Holy Cross School Council Lunch Program

The lunch program, run by Catholic School Council volunteers, is a major fundraiser, with the proceeds going toward various projects that directly benefit our children. The funds do not go back to the Board and the program is run completely by volunteers. If you are interested in volunteering for the Lunch Program, please contact Kathryn at katyrose.ferguson@gmail.com

Order timeframes are 8 or 9 week blocks, and prices reflect the number of school days in the order period. **Payment must be made online at <https://cadsbeo.schoolcashionline.com>.** We cannot accommodate vacations stops, refunds, late orders or changes to an order part-way through the order period. In the event of a snow day on a Tuesday or Thursday, we will reschedule the lunch once, ideally to the next day, where possible. Factors influencing the rescheduled date include supplier availability, PA Days and school events. Updates will be posted to the *@HolyCrossSchoolCouncil* Facebook page.

Should you not have access to a computer or online banking, please contact the school for assistance with placing your lunch orders.
