Dear Parent/Guardian:

Welcome to the Ontario Provincial Police (OPP) KIDS Program! I am excited about working with your child over the next several weeks. On behalf of the OPP, I would like to share some specific details of our program.

The OPP KIDS Program was developed in conjunction with front-line police officers and professional educators to ensure the content meets current student needs.

OPP KIDS will cover topics such as: Youth and the Law, Peer to Peer Relationships, Bullying, Drug Awareness, and Online/Social Media Awareness. Each topic will be accompanied by videos to show how these lessons can be related to your children and situations they may face in their lives.

We believe OPP KIDS will be a program you can share and build upon. We encourage you to take time to talk with your child about what they learn from each lesson. Without your participation, OPP KIDS Program would not be as effective and we recognize that you are the key to your child's successful journey in life.

I urge you to call me with any questions you may have about this program. I can be contacted at (613) 257-5610. I am very excited to be involved with the OPP KIDS program and look forward to having positive interaction with your children.

Sincerely,
