

Winter Carnival Day!

Dear Parents and/or Guardians,

The HNOM Social Justice Action Team is organizing a *Winter Carnival Fun Day* on Friday, February 7th, 2020. The students will be playing a variety of winter fun games in the afternoon of this special event. Please ensure that your child comes to school dressed warmly and according to the weather that day.

This *Winter Carnival Day* will help provide *healthcare* for people in need. In December, the Social Justice Team hosted a *PJ Movie Day* to raise money for the *Education* pillar of the WE organisation. We are helping children to go to school and setting them up for a brighter future. This in turn helps break the cycle of poverty. Our last event will be in June, we will be organizing a *Water Fun Day* to raise money for the *Water* pillar. We are helping provide clean water to villages in need.

This year, we are collecting one amount for all three events and the money raised will be divided equally and donated to the three pillars chosen by the Social Justice Team. We are asking for a \$7 donation for one child, \$14 for two children and \$20 for families with 3 or more children. If you would like to, you can also make an extra \$5 donation to the pillar of your choice. Your generous support will help families in developing countries and we thank you! Remember to go online by Friday, February 7th and give generously to these important causes. You can make a difference in another person's life by your donation.

In an effort to reduce waste and remain a Platinum level ECO-school we are asking students to bring a reusable mug for our Hot Chocolate Station. We are asking all students and staff to pack a labelled, reusable mug for hot chocolate that day. If we all take part, we will be able to keep close to 400 Styrofoam single-use cups out of our landfill!

Thank you for your support and participation!

Mme Austin, Mrs. Russell, Mrs. Luknowsky, Mrs. Fitzpatrick,
the *Social Justice Action Team* and the *Eco Team*
