

Sneak Peek

June 22

Dear Parents/Guardians and Students.

I am surprised and a little sad to write that this is our final Sneak Peek of the Week. I just wanted to say how much joy I have experienced being your Principal. Every single day over the last two years was like working in a wonderful garden. Something new was coming into bloom each day – something refreshing and good. I will miss this garden very much. I hope to come back and visit often in the coming year. I pray that you all have a fantastic summer together and that you love and support each other this fall throughout this unique return to school.

*God bless all of you richly.
Your Principal and your friend,
Paul*

We've packed up all your belongings,
and labelled them with care,
For this school year is ending,
In a way that isn't fair.

No laughter in the hallways,
No smiles out in the yard,
Our classroom was left empty,
Saying goodbye will be so hard ❤️

We cannot hug or squeeze you,
Not even a high five.
We can only smile and wave to you
And say our final goodbyes.

When all of this is over,
And you come back to a school and play,
We'll welcome you with open arms,
In a new and safer way!

Hello Everyone.

Just a little reminder today that report cards and IEPs will be coming home to you via email on Friday, June 26. The report card and/or IEP will be password protected. You will only need to enter your child's date of birth (YYYYMMDD) in order to access the reports. You will receive a separate email for each of your children.

A signed copy of the reports will be filed in your child's OSR and available to you upon request in the fall.

Thanks.
Paul
