

Peek at the Week: September 11, 2017

This Week in Room 113...

Monday: Welcome to the second week of school girls and boys!

Friday: Yoga Friday (wear your comfy clothes)

School library book due please.

Library with Mrs. Wolynice.

I don't know how else to say this except... "Your children are amazing". We had a fabulous first week of school in Room 113. The kids learned over 50+ routines and we are working on using our kind words and helping hands. When the children are loving and kind, they earn a point towards a class pajamas, popcorn and movie party; once they have earned 50 points, it's party time! (I imagine the party will take place around September 22).

We enjoyed the "Kissing Hand" book and several students shared that they are familiar with the story. Please remember to kiss your little one's palm each morning. ☺

Taking Care of Our Earth...The children are learning to sort compost, recycling and garbage. Please review snack and lunch time items with them and remember that we are trying to reduce as much garbage as possible by using re-usable containers and utensils.

Kindergarten Newsletter: Each month, your child's classroom newsletter will be available on our school website www.stjames.cdsbeo.on.ca Search the "Classroom News" tab and click on Mrs. Seward's news for newsletters and our weekly Peek at the Week. Our September newsletter is available on line now - please ensure that you read this as it has very important information; we will not be sending paper copies of these monthly newsletters home as a way to save paper (Did you know that St. James School was awarded a Gold Eco School?!). IF you do not have access to the internet, kindly jot me a note.

A BIG thank you for sending in Kleenex, glue, crayons and many other school supplies!!!

Please take a moment to have a look at the following list of items that everyone was asked to bring in. It will be very helpful if you can send all items in by Friday...

Last Week's Memorable Moments...

After rest-time, one of our little fellas was sound asleep. One of our 3 year old girls asked
what he was doing and was told that he was having a sleep. Her reply, "Oh yes.... I used to
do that when I was little".

Have a lovely week everyone! Love, Mrs. Seward
