Terry Fox Walk at 1:00 p.m. We will be walking to Lower Reach Park so all children should wear suitable shoes and clothing please. If you are able to join us, kindly write a note in this book. Children are asked to wear a white shirt to symbolize HOPE. Thank you!

Just a few notes:

We Need Leaves! We are looking for leaves for different projects in the classroom this week. Can you and your child go on a leaf hunt? We are asking each child to bring in 5 or 6 leaves to share with the class? Thank You!

On Friday, we conducted a quick investigation to celebrate the letter A! We tasted 3 different kinds of apples, Red McIntosh, Green Granny Smith and Yellow Golden Delicious. Then we created a graph to show our data. Can you guess which kind of apple was the most popular? See if your little one can remember ~ (psst...it was the yellow Golden Delicious!! 😊)

Jolly Phonics: For the letter "Tt", we pretend to watch a tennis match by moving our heads from left to right, saying "t-t-t-t..." Mystery Box item???... ask your little one what was in the Mystery Bag today? (It was a stuffed turtle!) Please also ask your child what their name would be with a "T" as the beginning sound.

Open House/Meet the Teacher Night: It was lovely seeing families at the school BBQ last week! We are certainly blessed to have such beautiful children and families. Remember if you have ANY questions or concerns, write us a note in the Communication Book. We're here for you!!!!

Rest Time Bags: Before you launder your child's belongings, can you please ensure that he/she can put their towel/blanket in the bag independently? If they are unable to, please either choose a new bag or send in a smaller towel or blanket. Thank you!

First Riders: Last Wednesday, the Kindergarten students had an opportunity to participate in the "First Riders Program" where we learned about bus safety. We watched a video and then got to practise our bus rules as we went for ride around the neighbourhood.

THANK
