

Kinder News for February 2017

Welcome to February in Kindergarten! The children will be busy with all kinds of exciting activities and lessons.

Religious Education: We will continue to say The Lord's Prayer together as a class each day as well as read and discuss stories about Jesus and His miracles from our Children's Bible. Please continue to practise the Sign of the Cross with your child.

Valentines and Friendship:

Jesus said, "Love one another as I have loved you".

How can we be loving to our classmates and family members? What makes a good friend? Do I share, take turns, talk, listen and help others? If we are having a problem with a peer, what strategies can we use to help resolve the problem? (i.e. Advocate for ourselves, use our words, "I don't like it when you...", "I feel...", "Can we talk about this problem?" and also getting adult assistance when we've tried these strategies and we still need help.

Math: Data Management

Some of the questions we have and will be asking are...

At recess, do you like playing with the shovels or sleds?

How many JK's are in our class? How many SK's do we have?

What colour of hair do you have?

What is your favourite game to play in the gym?

In addition to surveys and sorting in Math this month, we will continue to count objects accurately, count aloud and work on our estimating skills. We are going to challenge all of our S.K. children (and any interested J.K.'s) to count to 101 by June.

Birthdays in February: Alexis R. turns 5 on February 16th and Johnny turns 5 on February 18th! Happy Birthday! May all of your dreams come true!!!

Terrific Kids Theme: Love

Love is one of the three Theological Virtues (faith, hope, and love). These three are God's gift to us at Baptism. The theological virtue of love enables us to love God with all our heart, soul, mind and strength and to love our neighbour as ourself. (See Luke 10: 27)

Centres: Introducing our new Writing Centre just in time for Valentine's Day! Writing messages, making drawings and creating Valentine cards for classmates and family members will be a focus.
