### Please Note...

**Jolly Phonics:** The action for Ee is pretending to crack an egg using both hands while saying, "e-e-e-e" (short 'e' like the sound in egg, elephant...). What was in the Mystery Box today? (an egg). Does your name have an 'e' in it? (Senior children, please look at your first and last names). Thank you as always for sending in a list of words that begin with our letter of the week.

Speaking of "Ee": when printing a lower case 'e', it is helpful to say, "Across, up and around". This week in Room 161, we will count the TOTAL number of 'e's in our all of our names. We wonder how many there are?

Oops! K is for Kensington! Sorry Kensi, we forgot your name last week!

**Extra Clothing** bags will be sent home today. Please make sure that the clothes are suitable for winter weather (long sleeved shirt, pants, socks and undies). Bags need to be returned tomorrow. Thank you!

Thank you for returning the **Parent/Teacher interview** forms by Wednesday. These meetings are for adults only. 😊

**Snowsuit Season...** To ensure we are all on the same page, the children will be asked to dress in this order...

Snowpants, boots, coat, neck-warmer, hat and... mittens are always last. 😊 (please keep scarves at home; to encourage independence, gloves are only permitted if your child can put them on him/herself. Many thanks.

**Lice Advice...** We strongly encourage you to ensure our girls to have their hair up (ie. in a bun, tight braids...) to avoid the spread of lice. We have taken all the doll clothes and blankets as well as the book corner furniture covers home to wash hopefully helping lessen the spread of lice. Please talk to your child about keeping their hats and mitts in their cubbies (with their lunch pails) or in their backpacks - not on top of their cubbies where they might come into contact with other hats and mitts.

**Please note:** Unfortunately, we have had a reported case of pinworms in our classroom. Please talk to your child about the importance of washing their hands with soap and water ~ especially after they use the bathroom and keeping their hands away from their eyes, nose and mouth. If you have any questions, please check out the info sheet on our school website under Mrs. Cyr/Mrs.McParland's news.

Have an excellent week everyone.  
Love, Mrs. Cyr & Mrs. McParland
