Please note...

Jolly Phonics: "Ii": Inky the mouse has crept into the house and his tail has tipped over the ink. He scratches his whiskers and says, "i-i-i-i" - short 'i' sound as in ink, in, igloo. What was in the Mystery Box today??? (Instruments). Do you have an "Ii" in your name? Each week, we generate a list of words that begin with the letter of the week. Children are invited to add words to our list as the week goes on.

A HUGE thank you for all of your **generous donations** to the Thanksgiving Food Drive. We proudly watched and cheered the Grade One Turkey Train on as they delivered the food to the Food Bank on Friday. Our class collected 162 food items!! Our school grand total was 1304! Very Impressive! Way to go St. James!!

This is **Fire Prevention and Safety Week**. The children will participate in a variety of lessons and activities. It will really help us if you could please review Fire-Drill procedures with your child: we form a single line and we line-up using our walking feet. We leave the building through the closest door (in our classroom, we use our regular classroom door), we are empty handed and we remain quiet so that we can hear all instructions.

Thank you to all our Kindergarten friends for helping to celebrate Mrs. Cyr's birthday last Thursday! It was a great day! We had a dance party in the gym AND in the classroom! The students surprised Mrs. Cyr by singing "Happy Birthday" in French and presented her with a special card. Then we all had a special treat ... yummy Halloween cookies! One little girl exclaimed, "This is the best day ever!" 😊

Mrs. Cyr was so proud! Our supply teacher said she had a great afternoon in our class on Friday and that we had a lovely class! So nice to hear such great things! Keep up the great work Room 161!! 😊

We hope everyone had a wonderful Thanksgiving Weekend.

Love, Mrs. Cyr and Mrs. McParland
