Please have your child show this to you. Also, what was in the Mystery Box today??? The children will become familiar this week with a leaf named "Alphie" from a fabulous book called, "Alphie's Long Winter". There may just be some Apple Tasting this week as well as Apple Printing with paint!!!

Class Dojo is being introduced this week!

Class Dojo is a great tool where teachers can instantly share photos, videos and updates with parents. It is available on any device... iOS, Android and on the computer for FREE! We would like all families to join us and sign up for Class Dojo! More information on how to sign up (including your access code) will be sent home this week.

Taking care of our Earth... We are thrilled with the number of re-usable containers in the students' lunch bags. Thank you very much. We do have a supply of plastic spoons in the classroom when a child needs one, however please do your best to send in a re-usable spoon when needed.

St. James BBQ: We really look forward to seeing everyone on Wednesday! Please ensure your child shows you the following: their classroom cubby, parking spot on the carpet as well as their lunch time spot. They may also wish to point out some of their favourite centres in the classroom.

Looking ahead to rainy days... Please note that **umbrellas should stay at home**. They are not needed and tend to be a hazard. Thank you for respecting this rule.

Have you heard... We have a Co-op student named Bethany? Bethany (also known as "Miss Bethany") is a co-op student from St. Luke's High School who will be working with our class again this year. Our SK's will remember Miss Bethany from last year!

Have an awesome week everyone! Love, Mrs. Cyr & Mrs. McParland

Remember to open up the Communication Book if you write us a note! Thanks.
