Kinder News for February 2018

Welcome to February in Kindergarten! The children will be busy with all kinds of exciting activities and lessons.

Religious Education: The Season of Lent begins on Wednesday, February 14th. How can we be more prayerful, generous and kind? We will continue to say The Lord's Prayer together as a class each day as well as read and discuss stories about Jesus and His miracles from our Children's Bible. Please continue to practise the Sign of the Cross with your child.

Valentines and Friendship: Jesus said, "Love one another as I have loved you". How can we be loving to our classmates and family members? What makes a good friend? Do I share, take turns, talk to, listen and help others? If we are having a problem with a peer, what strategies can we use to help resolve the problem? (ie. Advocate for ourselves, use our words, "I don't like it when you…, I feel…", "Can we talk about this problem?" , getting adult assistance when we've tried these strategies and we still need help.

Math: Data Management

Some of the questions we have and will be asking are…
What is your favourite Winter activity?
Do you like Fiction or Non-Fiction books?
How many JK's are in our class? How many SK's do we have?
What is your favourite number and why?
What is your favourite game to play in the gym?

In addition to Surveys and Sorting in Math this month, we will continue to count objects accurately, count aloud and work on our estimating skills. We are going to challenge all of our S.K. children (and any interested J.K.'s) to count to 101 by June. Our other challenge is to count by 10's, 5's and 2's.

Birthdays in February: No February Babies in Room 113

Terrific Kids Theme: Love

Centres: The Drama Centre in our Kindergarten classroom will be transformed into a "Post Office". Writing messages, making drawings and creating Valentine cards for classmates and family members will be a focus.
