Mrs. Seward away
- Thursday: Mrs. Seward's Birthday Party!
Snuggle Up and Read classroom, library and green reading logs due back please
Snuggle Up classroom book goes home
Rest Time bags and blankies will go home for laundering
- Friday: P.D. Day! No school for the children.

Please Note...

Jolly Phonics: What will be in the *Mystery Box* this week? (a hat). Does your name have an "Hh"? The action for "Hh" is hopping, being out of breath and saying "h-h-h" . **Please remember to send in a word that you and your child come up with that begins with our letter of the week; we would really like each child to contribute to our Letter of the Week list.** Thank you! If you are sending in more than one word, kindly have your child circle their favourite - remember to ensure that his/her name is on the paper.

Mrs. Seward's Birthday Party: Kindly ensure that your little one wears their favourite party clothes (ie. boys may wish to wear their favourite shirts and girls may wish to wear their favourite dress/skirt...). A reminder that the party is for the children only. Sorry!

Extra Clothing bags will be sent home today. Please make sure that the clothes are suitable for winter weather (long sleeved shirt, pants, socks and undies). Bags need to be returned tomorrow. Thank you!

Thank you for returning the **Parent/Teacher interview** forms. These meetings are for adults only. 😊

Snuggle Up Classroom Book: This week, your little one will select a non-fiction book. Again we remind you that if the book they choose is really wordy, it will be educational if you discuss the pictures together.

Snowsuit Season... To ensure we are all on the same page, the children will be asked to dress in this order:

Snowpants, boots, coat, neck-warmer, hat and... **mittens are always last.** 😊 (please keep scarves at home; to encourage independence, gloves are only permitted if your child can put them on him/herself. Many thanks.

Lice Advice... We strongly encourage you to ensure your girls have their hair up (ie. in a bun, tight braids...) to avoid the spread of lice. I consider myself a lice expert (!) because our daughter had it when she was in grade 3. If you have any questions, you know who to ask...

Students from Ottawa University's Faculty of Engineering will be in our classroom to introduce us to **Bee-Bot the Robot** on Monday.

Have a happy week everyone.
Love, Mrs. Heward
