

Peek at the Week: November 13, 2017

### This Week in Kindergarten in Room 160

**Monday:** Remembrance Day Prayer Service  
Jolly Phonics letter "Ee"

**Wednesday:** Foley Mountain Field Trip!  
Library books due

Jolly Phonics... The action for Ee is pretending to crack an egg using both hands while saying, "e-e-e-e" (short 'e' like the sound in egg, elephant...). Does your name have an 'e' in it? Thank you as always for sending in a list of words that begin with our letter of the week.

Mathematics... This week we will start talking about **shapes**. We will be looking for different **shapes in our snacks and lunches** this week - specifically circles, squares, rectangles and triangles, for example: rectangular cheese slices, Nacho triangles, circular cookies etc!

We are really looking excited about our "**Forest Bureau of Investigation**" program at Foley Mountain on **Wednesday**. The bus will depart from St. James at 9:15 a.m. Supervisors are asked to wait in the school foyer; at 8:50 a.m., children can start coming into the classroom so we can take attendance. Everyone will use the school washroom before boarding the bus. It is essential that your child has water, healthy snacks, a healthy lunch and extra clothing in their school bag. Please pay attention to the weather forecast so that your child will be dressed appropriately - layering clothes is always a good idea and kindly ensure that their socks are tucked into their pants to prevent tics. As an added precaution, parents are asked to check their child at the end of the day for tics; as well, clothes worn should be placed in the washing machine and dryer Thursday evening.

Have an excellent week everyone!!!!

Mr. Smith and Mrs. Sprague
