

Out With the Old & In With the NEW!

Dear St. James Families,

Christmas is behind us and a new season will soon be upon us! It's the time of year where we are asking ourselves, "where did all of this STUFF come from and where are we going to put it?" It coincides nicely with the shock of realizing our children have grown two sizes over the winter, (no matter how much we want them to stay small), and most of the clothes in their closet no longer fits them! Here's an idea that might help to alleviate the stress of both of these realizations!

What about a Swap Shop right here at St. James!? We will start with a clothing swap to "iron out the kinks" and work out the details to ensure everything runs smoothly. Then perhaps in the future we will have a full-scale Swap Shop where we will have the opportunity to SWAP clothing as well as household items!

The idea of the "Clothing Swap Shop" is to have families come in to pick up clothing for their family at no cost! You can also sign up for a space to bring in your families unwanted, (gently used), clothing. There will be a small fundraiser fee for the table but there is NO cost to take home the clothing you need. You may want to share a space and split the cost with another family who has clothing they are hoping to donate (get rid of).

It will be a "Win, Win" for everyone! Get rid of the clothing your family is no longer wearing or fitting into and pick up the sizes and styles that are just right! One stop shopping for the whole family (and it's FREE)!

Please fill out the sheet below to let us know what you are bringing and/OR what you are in need of. **PLEASE RETURN THE FORM BY FEBRUARY 19th!**

Thank you in advance for your donations, contributions and time! If you have any questions please contact the school. The SWAP SHOP will happen the night of parent teacher interviews!

Sincerely,
Mrs. A. Wolynice

Out With the Old	In With the New
