We are thrilled to be offering
EARLY FRENCH IMMERSION
at St. John Bosco Catholic School.

We encourage you to discuss this very important decision with your child's homeroom and Core French teachers.

WHY EARLY IMMERSION?

Students who graduate from the French Immersion Program in

First grade should be able to:

- ✍ French Immersion is a highly successful approach to second language learning.
- ✍ It's an effective way for your child to become functionally fluent in French while achieving all of the objectives of the regular school program.
- ✍ French Immersion may begin in Kindergarten (early Immersion).
- ✍ Several or all subjects, except English language arts, are taught in French. This program is designed for students whose first language is not French. The objectives are full mastery of the English language, functional fluency in French, and understanding and appreciation of the French culture.
