

Good day,

We are pleased to announce the official launch of the recruitment campaign for the **House of Commons Page Program**. Our recruitment campaign for the 2020-2021 academic year will take place from September 23 to November 11, 2019.

Each year, we recruit 40 students graduating from high schools and CEGEPs from across Canada to participate in the House of Commons Page Program. **Students who maintain a minimum average of 80% and can speak both official languages are invited to apply.** To be selected, they must also be accepted in a full-time program at a university in the National Capital Region.

We would be grateful if you could share the promotional material with social sciences colleagues and members of the student council at your school. Please consult the link below to view this year's newly branded promotional material:
