## A fresh take on school fundraising

We are so **EXCITED** and **DELIGHTED** to offer once again this year,

### Fresh From The Farm

as our fundraising initiative for this school year.

This fundraiser aligns with Ontario's Wellbeing strategy for Education and is also in harmony with our Eco Schools and Student School Nutrition Program initiatives.

"Eco Schools" Nurtures our student to become environmental leaders by engaging them in activity to build an environmentally responsible school community.

"Our Student Nutrition Programs" provide a healthy balance in food and nutrition. Students engage in the daily operation and delivery of our Breakfast and Snack programs. They learn firsthand how to make healthy food choices to sustain their energy and readiness to participate in class/ school activity.
